Prettyboy Elementary: Fun Facts!

- Our school was originally built in 1931. It was then called 6th District until the 1970's when the name changed to Prettyboy Elementary.
- Prettyboy Elementary, and Prettyboy Reservoir, are named after a pony named Prettyboy that was owned by a local resident. That is why our mascot is the Pony.
- An addition was built on the school in 1993 including our current cafeteria, gymnasium, and more classrooms.
